A Healthy 2026

At Avenue End Primary we continue to promote Health and Wellbeing. As we begin a new year, let's get off to a healthy start. We would really appreciate if you could consider the drinks and snacks your child takes to school for playtime. Please avoid giving your child fizzy drinks and sugary snacks. Remember every Friday is Fruity Friday! Here's to a healthy 2026! #TEAM

Welcome to 2026

A very **Happy New Year** to all of our families and friends. May we wish you all the very best for **2026** and hope it is a year filled with joy and happiness.

2026 Together Everyone Achieves More

A Very Special Performance

On the afternoon of **Tuesday 20th January**, We have arranged for a theatre group to come to our school and entertain our children. **Shoogalie Road Productions** will perform 'Tam O'Shanter' one of the epic poems by Robert Burns. This performance is also a celebration of Scotland's National Bard on the run up to Burns Day on Sunday 25th January. We know everyone will have a great time and please note there is no charge. 😊😊😊

After-School Clubs

Some more after-school clubs are set to begin again and there will be a variety of activities for our children to take part in over the course of the term. Please encourage your child to take part when given the opportunity. Thank you 😊

As you know, as part of our school improvement plan this session, we have been looking at our **school values**. We would like to thank you for all of your support so far via feedback at Parents' Night and from our values meeting in school last term. We will now continue working with our children and school community this term to identify the key values that represent Avenue End.

Reminder... Please **do not** give your child any food item containing **nuts** to bring to school. Thank You.

Earlier in the session we organised a few **RSHP** sessions. We appreciate that some parents and carers might not have managed along, so join us to look at the RSHP Programme in more detail in school on **Monday 2nd February at 2:15pm**.
